Early Math & Color Skills

Coloring Set

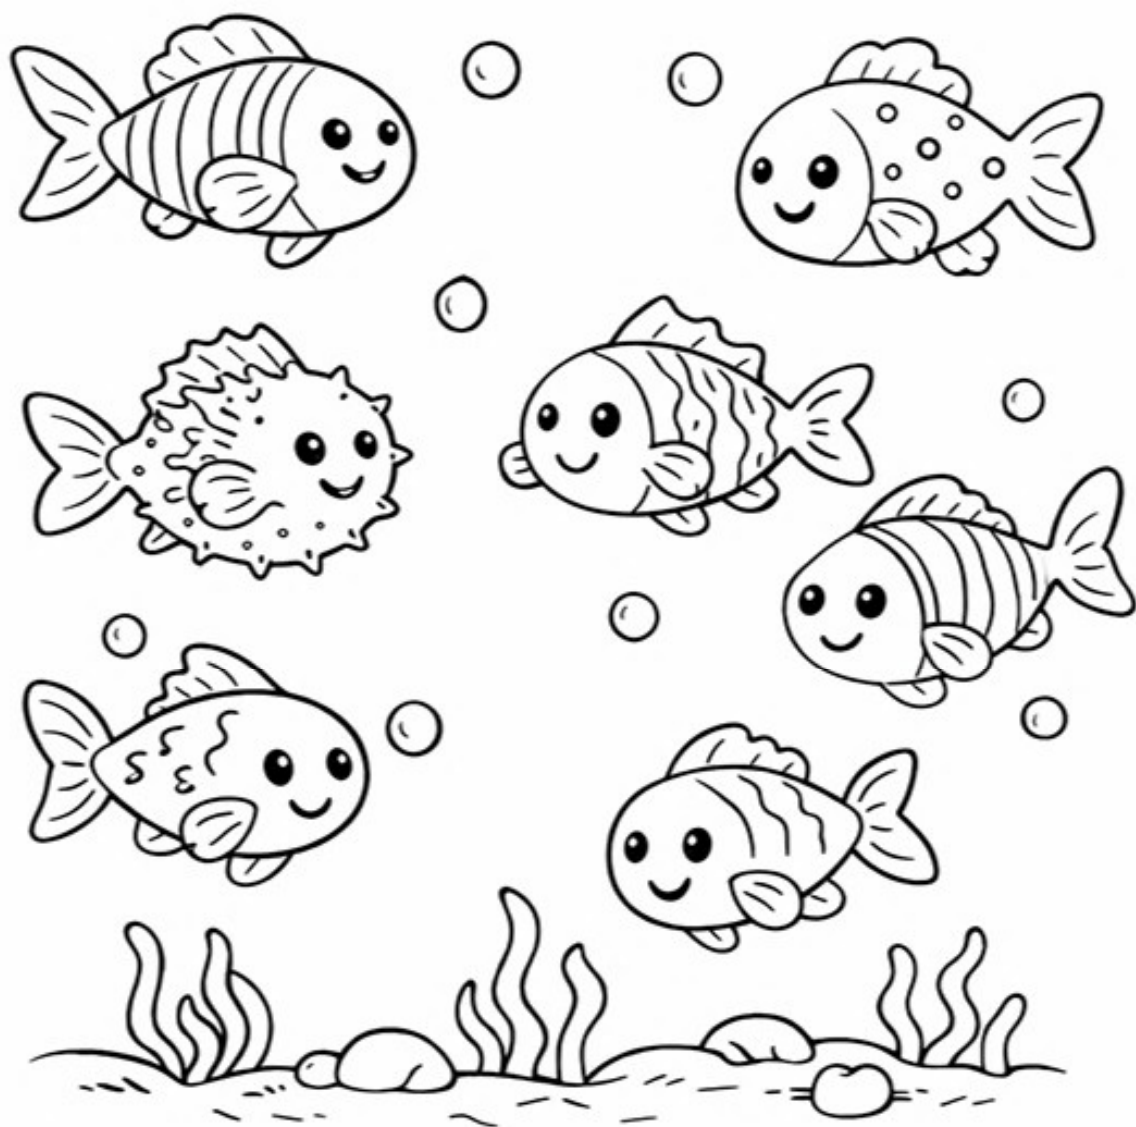

Apples in the Tree

Color 4 apples red, 3 green, and 3 yellow.
How many apples total?

Fish in the Pond

Color 5 fish blue and 2 fish orange.
Count the bubbles too!

Balloons in the Sky

Color the odd-numbered balloons red
and the even ones blue.

Butterfly Patterns

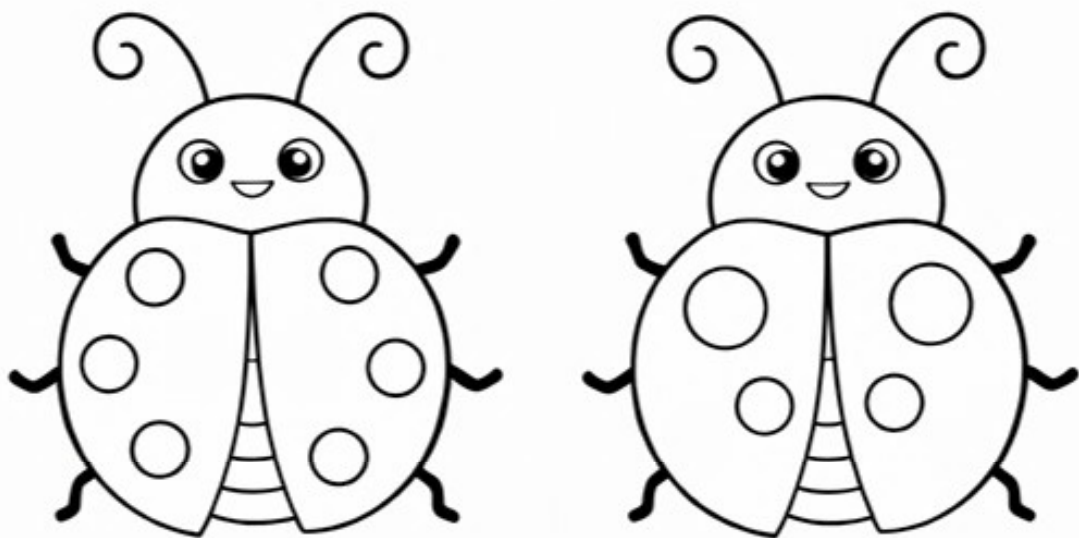

Color each side of the wings to match!

Cupcake Toppings

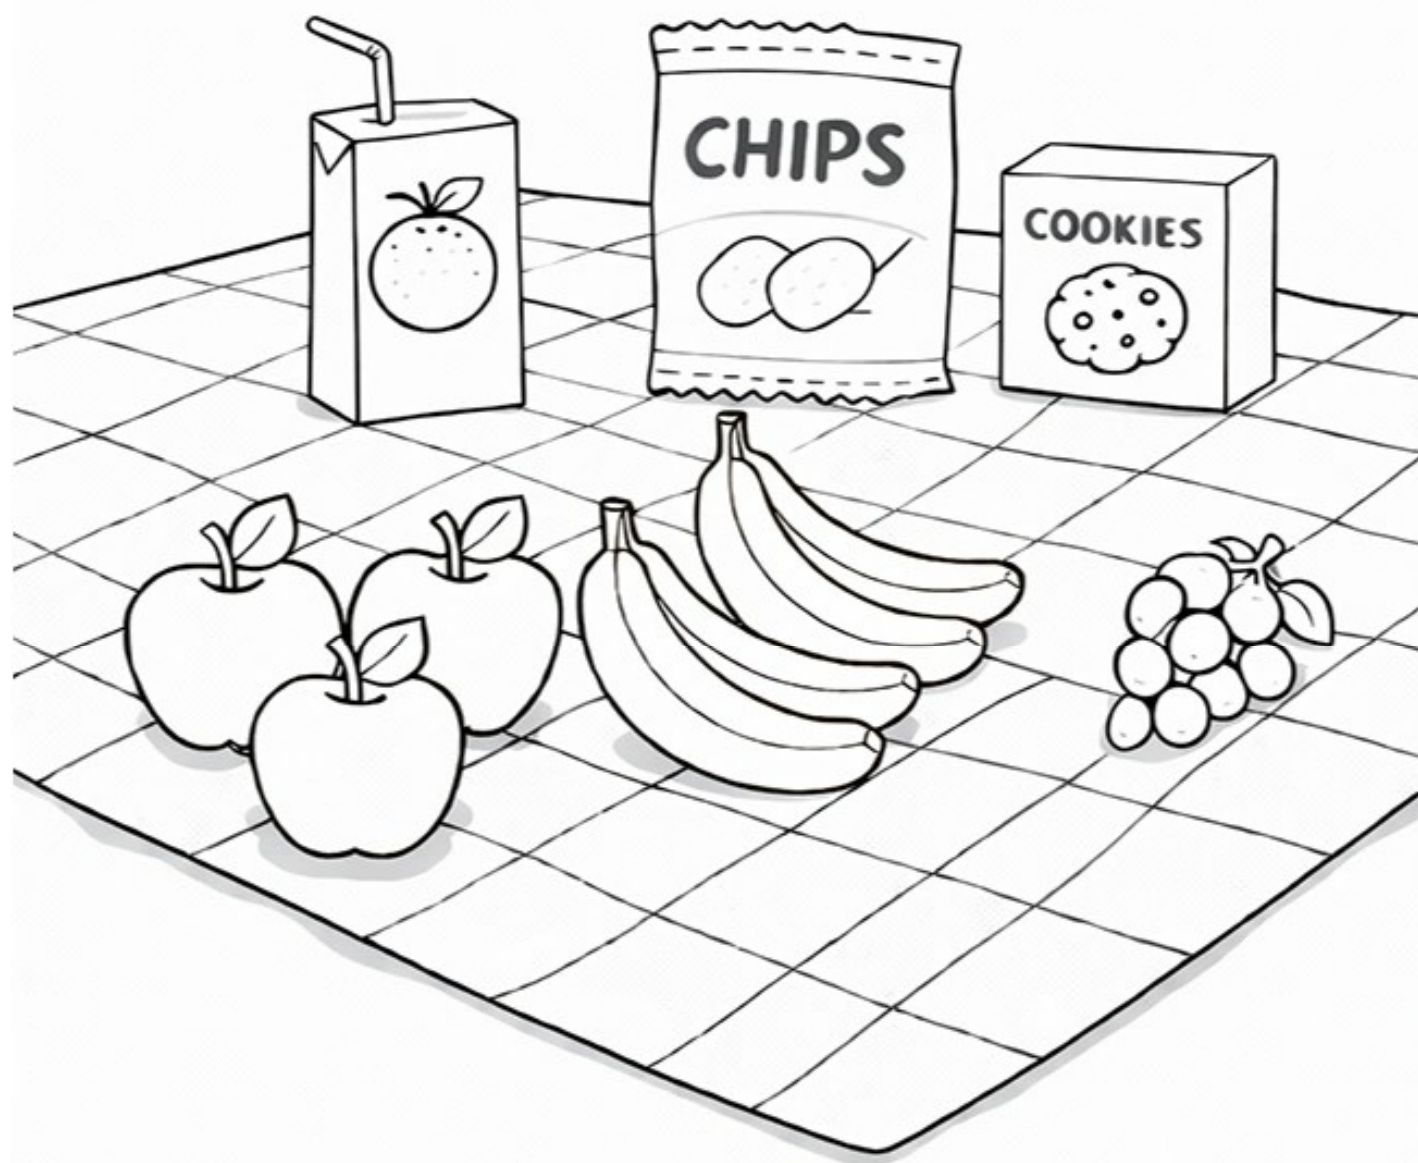

Count the candles and color
each cupcake differently!

Ladybug Spots

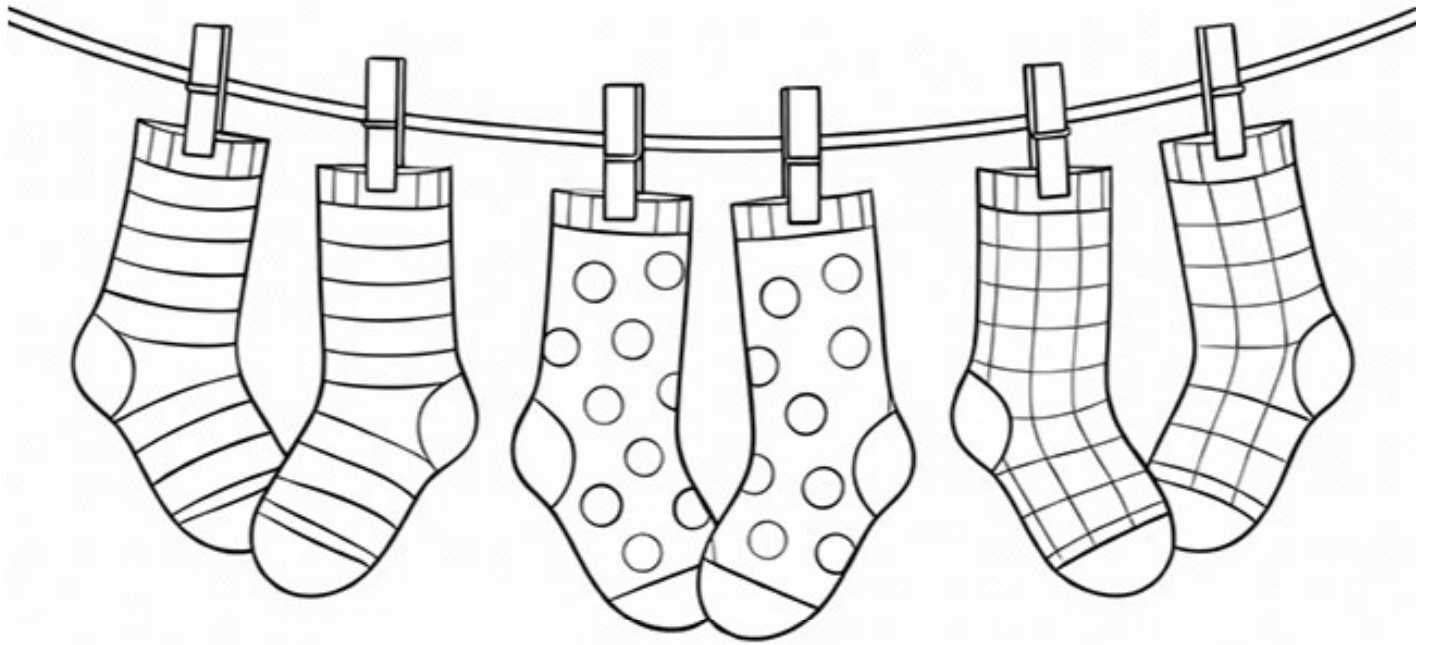

Color the ladybug with 6 spots red,
and the other with 4 spots yellow.

Picnic Sorting Fun

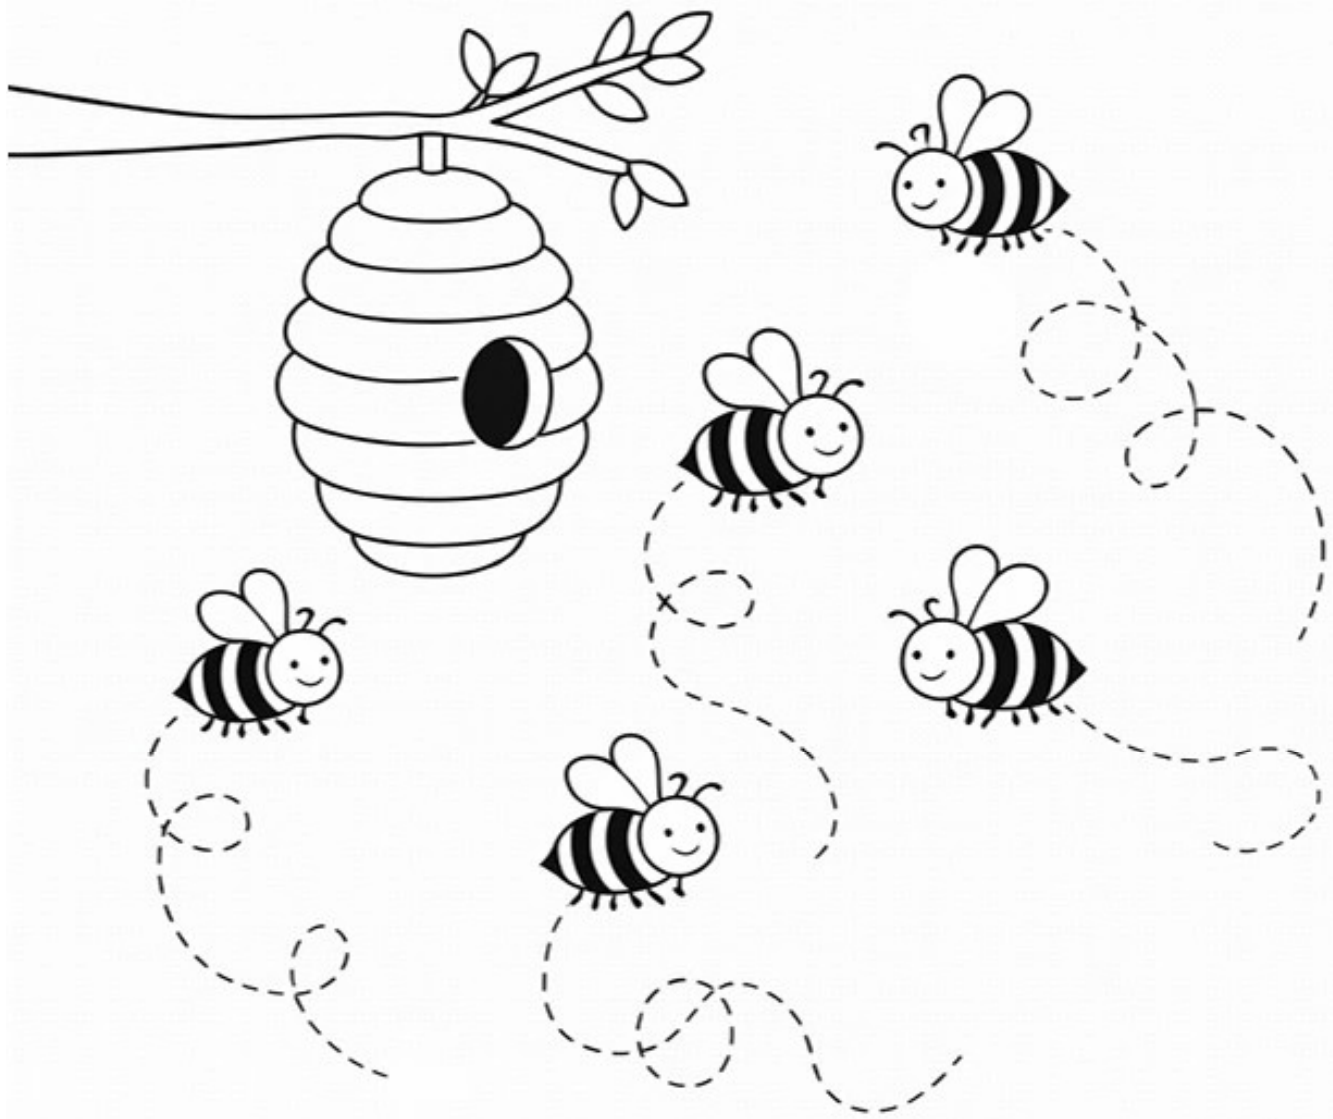

Color all the apples red, bananas yellow,
and grapes purple. How many snacks
are there?

Sock Pairs

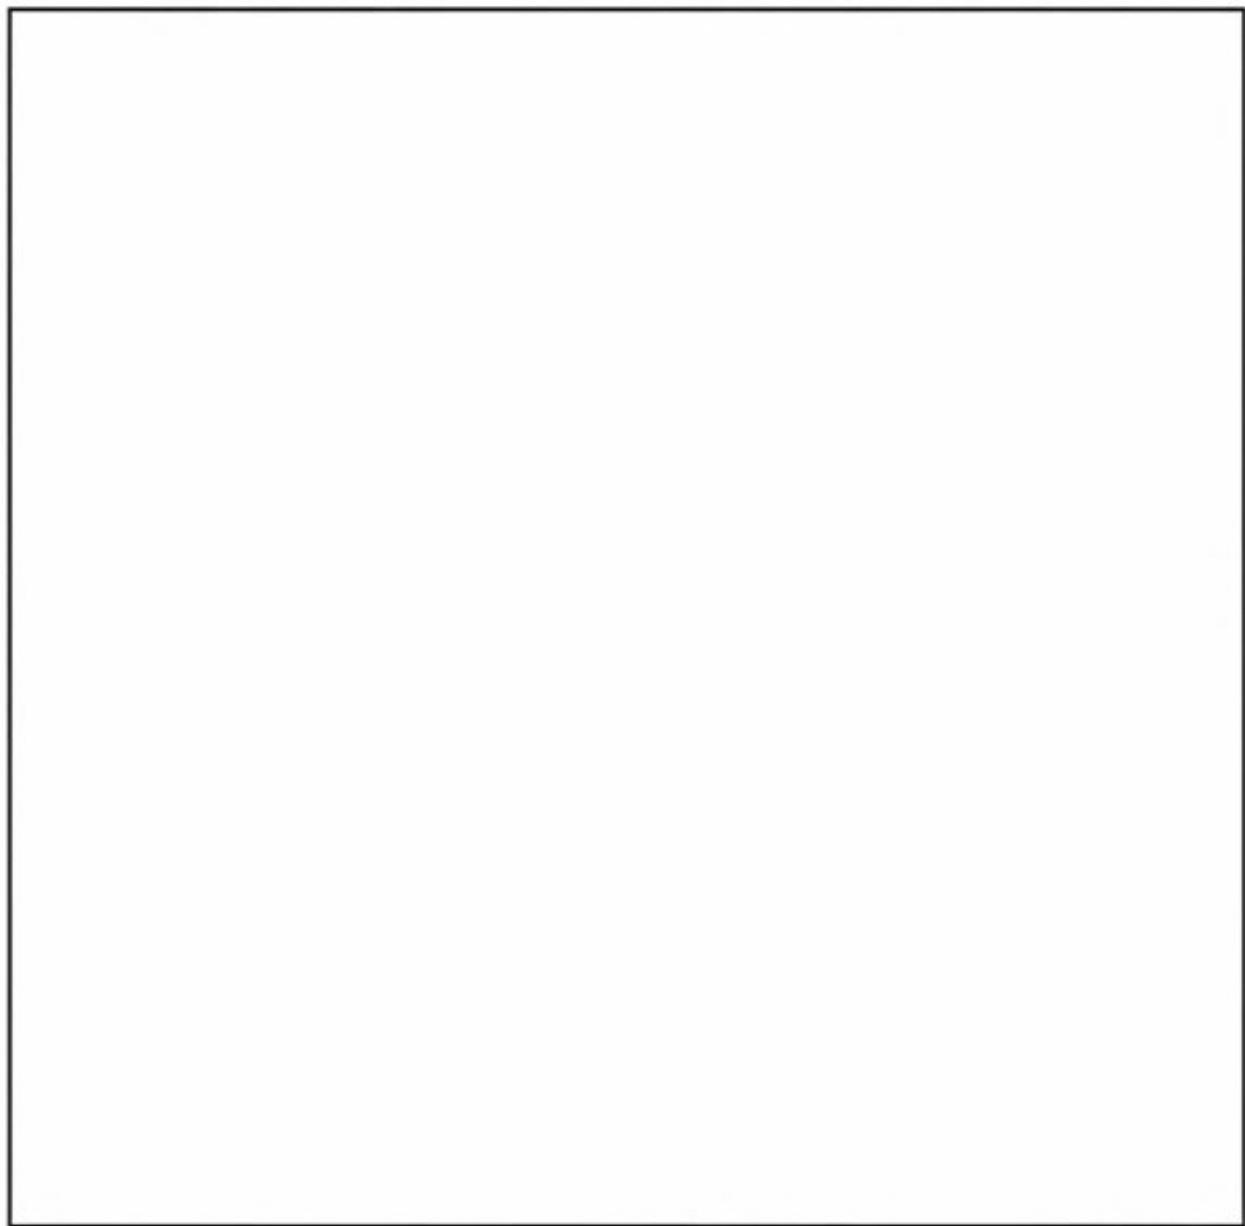

Count the pair of socks
and color each pair differently!

Buzzing Bees

Count the number of bees
and color the bees!

Design Your Own Color & Count Page

Draw 3 of one thing and 4 of another.

What did you create?
